

YOUR COMMITMENT TO PEACE SHOULD BE RECOGNIZED. WE CAN HELP.

American Muslim Voice Foundation is seeking corporate sponsorships for our upcoming 2013 Peace Convention. Don't miss this opportunity to assert your commitment to peace before a diverse audience of Americans interested in community building, inter-faith dialogue, and civic engagement. AMV Foundation offers three tiers of sponsorship for corporations or private trusts to highlight their social responsibility by demonstrating involvement in critical local community building efforts.

ABOUT AMV FOUNDATION

American Muslim Voice Foundation, a national organization based in California, was established in July of 2003. AMV was founded by Muslims to work for and with all Americans with a focus on grassroots community development. Our mission is to foster friendships among all Americans by bridging cultural and religious gaps. Through emphasis on the unity of mankind, AMV helps communities identify common goals, celebrate their diversity, and stand in solidarity with one another in times of need to protect and preserve civil liberties and constitutional rights for all.
